

Semi Annual Report
July thru December 2025

As you can see I have removed 10 members from the roster, as we haven't heard from them since 2022. If they decide to renew their membership, all they will have to do is bring their dues up to the current year. Anyone with information on these members, please let me know.

Please continue to forward info regarding the status of members. It really helps to keep the records and Annual Report accurate. Information can be forwarded by telephone, email or US Mail. In addition, if you hear of the passing of a member, giving me the actual date of death and location is very helpful in getting a copy of the obituary for the records.
