NOTE AND REMINDER:

In viewing the records I believe I neglected to submit a Quarterly Report for September 2014. I apologize for that and have included any information on this report. I guess time just got away from me.

Thank you to everyone that has forwarded information to me regarding the status of members. It really helps to keep the records and Annual Report accurate. Information can be forwarded by telephone, email or U.S. mail. In addition, if you hear of the death of a member, giving me the actual date of death and location is very helpful in getting a copy of the obituary for the record.

There are still a lot of former C&NW employees out there that do not belong to the Association. Please encourage those former employees to join and let them know about the luncheons that are held.

Respectively submitted,

Dianne Koppelman
