Wisconsin Division engineer **Charlie Meroff** sitting in his train room on 12/11/06 and on the right – **Charlie** with his hat collection. **Dave Hawley** visited **Charlie** that evening and both had a good time talking about their railroad careers. Earlier that day, **Charlie** learned that he'd been officially retired at age 65 and was no longer considered disabled. Just about a month later, on January 15, 2007, **Charlie** passed away.

Wisconsin Division men on the lead unit of train #295 at North Fond du Lac, WI. Engineer **Charlie Meroff**, Conductor **Benny Magdziarz** and Brakemen **Mike Tachmazian** and **George Leffelman** in 1987.

Operator **Norman Horn** hired out on the C&NW in 1949. That year, he worked at Lake Geneva, Kedzie, Creston, Richmond, Aurora & Nachusa. In 1950, he worked at Dixon and later at Tower NX (Rochelle, IL.) until it closed in 1965. **Norman** now lives in Rochelle. Photo taken on 09/06/06.

Track Inspector **John "Doctor" Hepperly** and his Hi-Rail truck at Rochelle, Illinois on 08/08/06.

Illinois Division Men at Proviso on 08/25/06. (left to right) Conductors **Ed Tribble**, **Joe Sebo** and Engineer **Jason Melcher**.

Illinois Division Engineer **Wayne Eichmann** at Rochelle, IL on 08/08/06.

Illinois Division Engineer **Rory Peterson** at Rochelle on 08/17/06 on Train IG3G2-17.
